

CALL FOR PAPERS

EATIS 2024: 12th Euro American Conference on Telematics and Information Systems

Praia (Cabo Verde), 3rd ~ 5th July 2024: <http://eatis.org/eatis2024/>

Papers Submission Deadline — 27th January 2024

It is our pleasure to invite you to participate in the EATIS 2024. For the first time, EATIS will be held in an African country venue: the archipelago Cabo Verde, between Americas and Europe.

EATIS.org is focused on the communities, contents and technologies belonging to smart cities. In particular, EATIS 2024 encourages the use of Information System (IS), Information and Communication Technologies (ICT) and Telematics Systems, making it easier for citizens to access government and public services at various levels, without any adverse impact on ethic aspects.

EATIS 2024 TOPICS OF INTEREST

Areas of interest include but are not limited to the following topics:

1. **Big Data** (Data Science and Analysis, Machine Learning and OpenData)
2. **Cloud** Computing and Distributed Systems
3. Human-Computer Interaction (**HCI**)
4. **E-applications** and case uses
5. Intelligent Transportation Systems (**ITS**)
6. Internet of Things (**IoT**): Middleware, Applications)
7. **Education** Methodologies based on ICT
8. **Mobile Computing** and Applications
9. **Performance Analysis** of Computational Systems
10. **Web Architecture** and Web Technologies and Society
11. **Web Systems** and Web Semantic

QUALITY CLASSIFICATION FOR EATIS.org CONFERENCES

EATIS.org conferences are recognized by the Computing Research & Education (CORE) - with C classification, Digital Bibliography & Library Project (DBLP) and by the Brazilian CAPES Agency - with the Qualis B3 classification.

All former accepted papers had been published in the ACM Digital Library or IEEE Xplore Digital Library.

PAPER SUBMISSION

We kindly ask for submissions of high-quality papers reporting original and novel research results on all above topics. All submitted papers will be **blinded** and **peer-reviewed**. **Papers must be initially submitted in pdf (without author names)** according to the guide for authors and templates given at the EATIS2024 web page. Papers must be written in English, Spanish or Portuguese, **but Abstract, Title and Keywords always in English**. Papers must be unpublished and not submitted elsewhere. Critical parameters will include originality, significance, relevance, technical soundness, and language clarity. Type of submissions are: (i) **short papers** (with max 4 pages) and (ii) **full papers** (with max 8 pages). Short papers will be presented in the Panel/Poster Sessions. Full papers will be presented in Oral Sessions. Short and full papers will be included in the proceedings.

IMPORTANT: It is highly recommended to include any of the 11 areas of interest as a Keyword (**bold letters**), to ease the reviewing process.

IMPORTANT DEADLINES

Submission of short and full papers: 27th January 2024
Notification of acceptance: 15th March 2024
Camera Ready & Author Registration: 5th April 2024
Conference days: 3rd ~ 5th July 2024

Submissions at <https://cmt3.research.microsoft.com/EATIS2024>.

At least one author must be registered and attend to the conference if the paper is accepted.
