

## Fellow Communities

TakingITGlobal.org is an online community that connects youth to find inspiration, access information, get involved, and take action in their local and global communities. It is now the world's most popular online community for young people interested in making a difference

telecentre.org is a collaborative initiative that supports and strengthens the telecentre movement. We believe that information and communication technology, used locally, can empower individuals and communities. Our vision is to build a knowledge society from the ground up. telecentre.org is both a social investment program and a global community
