

Dear participants,

On behalf of the Organizing Committee, it is my great pleasure to welcome you to Valencia and to the 6th Euro American Conference on Telematics and Information Systems EATIS 2012.

The conference has been designed for the academic and professional updating of participants and to encourage the use of Information Systems (IS) and Information and Communication Technologies (ICT). Furthermore, on this occasion, the conference includes a new topic specifically relating to Intelligent Transport Systems (ITS).

We hope that you will enjoy the conference and your visit to Valencia.

Yours sincerely,

J. Javier Samper
General Chair

Estimados participantes,

En nombre del Comité Organizador, es un gran placer daros la bienvenida a Valencia y al 6º Congreso Euro Americano de Telemática y Sistemas de la Información EATIS2012.

La conferencia ha sido diseñada para la actualización académica y profesional de los participantes y fomentar el uso de los Sistemas de Información (SI) y Tecnologías de la Información y las Comunicaciones (TIC). Además, en esta ocasión, la conferencia incluye, especialmente, un nuevo tema que se concentra en los Sistemas de Transporte Inteligentes (ITS).

Esperamos que disfruten de la conferencia y de su visita a Valencia.

Atentamente,

J. Javier Samper
Director
