Marrakech, Morocco — 24th to 26th June 2026

<http://eatis.org/eatis2026>

Submission Deadline: 22th February 2026

### Conference Scope

We are pleased to invite you to participate in the 13th Euro American Conference on Telematics and Information Systems (EATIS 2026). For the first time, EATIS will be held in the legendary city of Marrakech, Morocco.

EATIS focuses on communities, contents, and technologies related to smart cities. In particular, it promotes the use of Information Systems (IS), Information and Communication Technologies (ICT), and Telematics Systems to improve access to government and public services at all levels, while ensuring respect for ethical standards.

### Paper Submission Guidelines

We welcome high-quality original papers reporting novel research results in all the topics above.

- **Languages:** Papers may be written in English, Spanish, or Portuguese, but title, abstract, and keywords must be in English.

- **Review Process:** All submissions will be blind peer-reviewed. Evaluation criteria include originality, significance, relevance, technical soundness, and clarity.

- **Submission Types:**

· Short papers: up to 4 pages (poster or panel sessions)

· Full papers: up to 8 pages (oral presentations)

Short and full papers will be included in the proceedings.

△ It is strongly recommended to include at least one of the 11 areas of interest as a keyword (in bold), to facilitate the review process.

At least one author of each accepted paper must register and attend the conference.
